3. COMMENTS

3.1)

Loved Joe's style of teaching. Very down to earth & easy to connect with.

Great professor with a lot of experience and good advice.

Really knows what he's teaching.

Great class. Would be especially beneficial to have vinyl plotter & 3D printer of future funding.

Great Professor, knows what he's talking about and very motivated to teach his students.

Is hard for me to catch on with class  
Sometimes wish the homework requirement can have some detail explain and sample.

very professional and knowledgeable  
great professor, helpful

Great instructor overall. He helped me improve my design skills.

One of the best teachers I've had IN MY LIFE.

. Great professor. Knows his stuff. If only we had more of a even time distribution amongst projects. Towards the end of the semester, projects get backed up. Thank you for constantly keeping us up to date on art related events at school!
