CONFIDENTIAL COMMENTS

Things I like best about the class or the instructor are:

I really enjoyed the variety of different well-thought out projects that ranged from print to digital because most classes do not have digital and I think its really important nowadays after speaking with alumni that have graduated.

Suggestions for the class or the instructor to improve are:

None, very good professor, probably one of my favorite.

CONFIDENTIAL COMMENTS

Things I like best about the class or the instructor are:

He provides a unique opportunity by transitioning the class from print to interactive. He actually tries to improve the quality of learning.

Suggestions for the class or the instructor to improve are:

*Change the automatic brightness of the TV screen.
It's a pain when the brightness change during the times you don't want it.*
